

20th Anniversary of MSF Baseball

2008 marks the 20th season for Minnesota Sports Federation Youth Baseball State Championships

Each year thousands of participants benefit from the Minnesota Sports Federation Baseball Program and learn valuable life skills including goal setting, teamwork, discipline, and good sportsmanship. This 2008 season marks the 20th Anniversary of MSF Baseball State Championships, which will be held on July 25-27. The MSF State Championships have grown steadily over this time period. Hundreds of teams also compete at MSF State Qualifiers any given weekend in May and June with hopes of advancing to the state tournament. The success of our tournaments can be attributed to the quality facilities, umpires, and tournament staff utilized by the MSF.
