## 2010 MSF State Championships set for July 23-25

### How to enter the MSF State Championships

Teams can enter the MSF State Championships by earning a bid at a state qualifier tournament or by being accepted as an at-large team. State qualifier tournaments are held throughout the state in May and June. First and second place teams will qualify for state tournament berths. See [www.msfl.org](http://www.msfl.org) for a complete list of qualifiers and qualifier details. Teams can also apply for an at-large berth starting June 15th by submitting an at-large berth application found in the MSF Baseball Guidebook or online.
